

# CTF Write-up — Iced Encrypted Americano

**Category:** Crypto

**Points:** 25

**Author:** p3f0rm3r ({x0x} Team)

## Description

The challenge provides a message encoded in hexadecimal format and asks to decrypt it.

61 74 63 63 74 66 5f 73 33 63 72 33 74 43 30 66 66 33 33

## Solution

I used CyberChef and applied the 'From Hex' operation to decode the message.

## Flag

atcctf\_s3cr3tC0ff33

## Conclusion

This challenge tests basic knowledge of hexadecimal encoding and decoding.
